

Map & Directions to Las Flores 202 Condo at Club Marena, Baja

Directions From San Diego

Getting to **Club Marena** is approximately a 45 minute drive from the San Diego border.
Cross into Mexico at the San Ysidro border from I-5 or I-805. Go up on the bridge and then take the exit to "**Rosarito & Ensenada**" on your right.
After merging with the main road it parallels the border for about two miles and then heads up and down a steep hill where you will see a sign for "**Playas de Tijuana & Rosarito Cuota**".
Exit to the right where you see the sign to "**Ensenada-Tecate**". Once on this road, stay in the left lane to **avoid** the exit to Playas de Tijuana.

About one mile ahead you will get to the first **Toll Booth**. Tolls are a little over \$2.00 and the toll areas have restrooms.

The first exit to the town of Rosarito is approximately 10 and a half miles down the toll road.
Pass the four exits to Rosarito and then take the exit just before the second toll booth (about 21 miles from the border). The sign reads: "**La Paloma, Popotla, Calafia, Las Rocas.**"

Once you pass the **Fox Studios**, you are just a few miles away. You will pass **Calafia** and the **Las Rocas Hotel**. Look for the tall white buildings on your right just after a small bridge (**El Morro Bridge**)

At Club Marena you will have to go through a gate where security guards will ask you where you are going. Let them know that you are going to the **Las Flores** building **unit 202**. If you have a reservation, the guards will have your name and will ask you for your driver license before you can go in.
Las Flores is the first building (6 stories) located on your left once you are inside Club Marena.
